

COMMUNITY ENERGY

Working with you to RE-Power Illinois

Together we can RE-Power Illinois with Renewable Energy!

Save money and switch to 100% Illinois wind and solar energy! RE-Power Illinois is an electricity plan for ComEd customers and the only 100% Illinois Wind and Solar option.

Benefits of choosing 100% Illinois Wind and Solar:

- Support the development of new wind and solar projects in Illinois
- Stimulate the economy and build green jobs in Illinois
- Reduce your environmental impact
- Save money on your monthly bill AND earn a \$50 cash back bonus

Join us in RE-Powering Illinois!

Simply complete the enrollment form below to sign up for the only 100% Illinois renewable energy choice. There is no binding contract or cancellation fee. Charges will appear directly on your ComEd utility bill under the name Verde Energy.

	100% IL Wind & Solar – Save!	ComEd Electric Rate
Electric Rate	7.69 ¢ per kWh*	7.733 ¢ per kWh

*Variable rate, which has historically decreased.
